

Safeguarding Adults in Clinical Practice- Level 2

2
hours
eCPD

The presentation will look at the relevant safeguarding adults policies, and how these fit into the standards set out by our professional bodies and local safeguarding procedures.

Utilising case studies the delegates will improve their own confidence in applying safeguarding practices in their day to day work.

**Tuesday 19th November
2024**

14:00-16:00
