

# Enhanced Training for Dental Nurses: Dental Recur -Brief Negotiated Interview (DR-BNI)

Dental Nurses from participating practices in Lancashire & South Cumbria are invited to enhance their skills and transform how they support families in improving children's oral health. Gain the expertise to effectively engage with parents, helping them understand the causes of dental disease, assess current habits, and set realistic goals for lasting behaviour change.

## Why Attend?

- Gain **new skills** that set you apart in your practice
- Become a **leader in prevention**, offering more than just routine care.
- Build **stronger relationships** with patients by promoting long-term oral health.

Free to Practices' participating in the Lancashire & South Cumbria Paediatric Pathway. Two dental nurses from each practice to attend.

**Monday 18th November 2024**

or

**Monday 9th December 2024**
