

DEMENTIA FRIENDLY DENTISTRY AWARD

TRAINING FOR THE DENTAL TEAM

Thursday 6th February 2025

NHS England is delighted to offer this 2-hour interactive webinar, designed to support the adoption of the Dementia Friendly Dentistry toolkit. Open to all members of the primary dental care team, the session aims to help participants review care and treatment planning for patients living with dementia and identify practical ways to support patients with dementia when they visit the dental setting.

Please note to achieve Dementia Friendly Dentistry accreditation, it is essential for at least one dentist from your dental practice to attend.
