

Fluoride Varnish Application for Dental Nurses

Speaker:

Dr Fiona Sandom MBE
Ph.D., MSc. DIP DT, Dip DH,
FDTF RCS Ed, FCGDent

Cost:

Fully subsidised for
Practices with an NHS
contract in Cheshire and
Merseyside.

Failure to attend all
sessions will result in you
being liable for the full
cost of the course.

This course has been designed for dental nurses whose dental practice is located in Cheshire and Merseyside .

The training provides knowledge and practical expertise to safely and effectively apply fluoride varnish under a dentist's prescription. Learn about fluoride's role in preventing dental disease, application techniques, patient education, safety considerations and professional responsibilities. Gain hands-on experience and develop key communication and patient management skills to support better oral health outcomes.

Webinar date: Friday 1st May 2026, 9.30am - 12.30pm

Hands on date: Wednesday 6th May 2026, 10am - 1pm

Venue: North West Dental Training Hub, Altrincham, WA14 1RZ
