

Contemporary Periodontal Management in General Practice.

Join us for an engaging, lecture-based day that will cover all aspects of contemporary periodontal and peri-implant management. We'll explore the latest concepts of aetiology, assessment, diagnosis, and treatment planning. The new periodontal classification system will be discussed in detail and we'll examine the S3 Periodontal Treatment guidelines and their implications for practice.

Speaker: Ian Dunn

Ian is a Specialist Periodontist based in Liverpool. He was the teaching lead in Periodontics at Liverpool University and also lectures for the FDS at the Royal College of Surgeons.
