

# Fluoride Varnish Application for Dental Nurses

## Speaker:

Dr Fiona Sandom MBE  
Ph.D., MSc. DIP DT,  
Dip DH, FDTF RCS Ed,  
FCGDent

## Cost:

£60 NHS Dental Nurse  
£120 non NHS Dental Nurse

6 hours eCPD

This training for Dental Nurses provides knowledge and practical expertise to safely and effectively apply fluoride varnish under a dentist's prescription. Learn about fluoride's role in preventing dental disease, application techniques, patient education, safety considerations and professional responsibilities. Gain hands-on experience and develop key communication and patient management skills to support better oral health outcomes.

Following the course, you will have the opportunity to complete a Portfolio. Once assessed, successful delegates will receive a Certificate of Completion.

**Webinar date:** Friday 22<sup>nd</sup> January 2027, 9.30am - 12.30pm

**Hands on date:** Monday 25th January 2027, 10am - 1pm at the North West Dental Training Hub, Altrincham, WA14 1RZ
