

Radiation Protection Seen Though Your Radiation Protection File

This face to face full day course
is for all the dental team requiring education
and training on the Ionising Radiation Regulations 2000 (IRMER).
You will receive practical advice and information on new legislation,
radiation principles and risks to ensure you comply with the latest advice.

SPEAKER:
Tim Reynolds

Tim is an experienced
radiography lecturer
specialising in clinical
diagnostics, quality assurance,
and radiation safety.
