

Fluoride Varnish Application for Dental Nurses

Speaker:

Dr Fiona Sandom MBE
Ph.D., MSc. DIP DT,
Dip DH, FDTF RCS Ed,
FCGDent

Cost:

£60 NHS Dental Nurse
£120 non NHS Dental Nurse

6 hours eCPD

This training for Dental Nurses provides knowledge and practical expertise to safely and effectively apply fluoride varnish under a dentist's prescription. Learn about fluoride's role in preventing dental disease, application techniques, patient education, safety considerations and professional responsibilities. Gain hands-on experience and develop key communication and patient management skills to support better oral health outcomes.

Following the course, you will have the opportunity to complete a Portfolio. Once assessed, successful delegates will receive a Certificate of Completion.

Webinar date: Friday 4th June 2027, 10am - 1pm

Hands on date: Monday 7th June 2027, 10am - 1pm
at the North West Dental Training Hub, Altrincham, WA14 1RZ
