

Occlusion in Restorative Dentistry

NHS
England

Join us for this hands-on course designed to enhance your understanding of occlusal concepts and their practical application in restorative dentistry.

Through a blend of engaging lectures, hands-on exercises and real-world case studies, you will explore both analogue and digital techniques to improve clinical outcomes.

SPEAKER:
Chris Dakin
BDS, MFGDP(UK),

Chris is a sought-after speaker on occlusion in restorative dentistry, having lectured both regionally and nationally
