

24th March 2015

# An audience with Lancashire Local Dental Network

This complimentary event will provide an opportunity for dental teams to meet and engage with the Lancashire Local Dental Network (LDN), the Local Area Team for Lancashire England, Consultants in Dental Public Health from Public Health England and the Postgraduate Dental Dean, Health Education North West to hear about current and future plans for dentistry in Lancashire.

You will be provided with a clear understanding of the role of the LDN and the Orthodontic, Oral Surgery, Routine Care, Special Care and Oral Health Improvement Networks which are subgroups to the LDN. Listen to the chairs from each of the networks highlight the success so far and their work streams for the future. This event is for you to get involved, ask questions and see how you can make a difference for dentistry in Lancashire.
