

# Safeguarding Level 2 Children and Vulnerable Adults

Level 2 courses are aimed at designated practice safeguarding leads or other team members who have greater involvement with child protection in the practice. If you are working towards a senior safeguarding role in your organisation e.g. Safeguarding Champion, Designated Person etc. then this course will assist you.

## Aim

To equip staff with the skills and knowledge to be able to identify, respond to, and report safeguarding concerns in children and vulnerable adults in a dental practice setting.

## Objectives

- Be able to identify what is a safeguarding concern in dental practice in children and vulnerable adults
- Be able to respond appropriately to patients and their parents/carers when there is a safeguarding concern
- Be able to share information safely and legally
- Be able to access help for a child/vulnerable adult when you have a safeguarding concern

## Learning Outcomes

- To increase the confidence and knowledge in identifying safeguarding concerns in children and vulnerable adults,
- Know how to respond to patients and their parents/carers about whom there is a concern and to make clear the appropriate reporting pathways for professionals
