

PERIODONTITIS

Periodontal Diagnosis and Treatment Before, During and after Covid-19

TUESDAY 11TH AUGUST

During the Covid -19 Pandemic, it is important that knowledge is kept up to date on key topics. With this in mind HEE are providing this interactive webinar.

This webinar will give delegates the chance to learn the new periodontal classification system and treatment of periodontal disease in the modern day with the challenges of the Covid-19 outbreak.

Speaker: Faizan Zaheer

Faizan is a registered specialist in Periodontology and has a masters degree in dental research.

He completed his Periodontology training in the form of academic clinic fellowship at Manchester Dental Hospital in 2015.
