

CQC Inspections

Are you ready for the next round?

An event for the dental team

Aim:

This course aims to assist the dental team in maintaining CQC 'Fundamental Standards' in line with the latest regulatory framework for Primary Dental Care Services.

Objectives:

Recognise the principles and key elements the CQC will be looking for in its 'new' operating model.

Explore the responsibilities of all the practice team in achieving the required outcomes.

Determine and apply a suitable method to ensure ongoing compliance.

Learning Outcome:

Have the ability to set realistic, achievable and measurable goals in order to continuously comply with CQC regulatory requirements.

About the speaker:

Jane is a director of 'DenMed' and has had many years' experience working within dentistry; she is also a qualified health and safety practitioner, further education teacher, assessor, quality assurer.

This course qualifies for 3 hours verifiable CPD
