

Improving Oral Health

An event for the dental team

Aim:

This event is designed to assist the dental team in motivating and delivering current oral health messages when supporting patients to make the right oral health decisions.

Objectives:

- Identify how to motivate patients to self-manage
- Explore the value of an interdependent dental team
- Describe the key messages for delivering better oral health.
- Practice having healthy conversations with a positive Intention.

Learning Outcome:

Delegates will be able to assist patients in making the right choices, from recommended options, to improving their oral health and general well-being.

This course qualifies for 3 hours verifiable CPD
