

Dental Radiography: A Review of Legislation & The New 'Guidance Notes'

**MONDAY
18 JANUARY 2021**

During the Covid -19 Pandemic, it is important that knowledge is kept up to date on key topics. With this in mind HEE are providing this interactive webinar.

The session aims to revisit, review and highlight the key principals of radiation procedures and protection including contents of the new 'Guidance Notes' for Dental Practitioners on the Safe Use of X-ray Equipment' .

Speaker: Tracey Gregory

Tracey qualified as a diagnostic radiography in 1994. She has worked in diagnostic radiography education in lecturer, senior lecturer and professional lead roles and undertaking the role of lead consultation skills trainer at Leicester medical school
