

Contemporary Removable Prosthetics

Venue: School of Dentistry, Education Wing

Dates: Saturday 31st August 2019

Time: 8:30am to 9:00am Arrival and Registration for 9:00am start - Close at 4:45pm

Course Speakers:

Rahat Ali: Consultant in Restorative Dentistry / Specialist in Restorative Dentistry, Prosthodontics and Endodontics, Liverpool Dental Hospital.

Johanna Leven: Specialist Registrar in Restorative Dentistry, Liverpool Dental Hospital.

Who Should Attend?

The course is aimed at qualified General Dental Practitioners (GDPs).

It is also open to Dental Technicians and Dental Nurses with an interest in this area.

This course meets the new GDC requirements for enhanced CPD.

Aim: To help practitioners improve their knowledge and application of partial and complete removable dentures. It is an interactive session of seminars and case based discussions, covering the contemporary management of partially and completely edentulous patients with removable prostheses.

Learning Outcomes:

By the end of the event delegates will be able to:

- Summarise the principles of partial and complete denture design
- Describe which impression and occlusal registration techniques may be appropriate when managing a removable prosthodontic patient.
- List the design features of overlay/overdentures.
- Clinically manage a patient with combination syndrome predictably.
- Describe the principles of duplicate and immediate denture prosthodontics.
- Describe the attachment systems of basic implant retained overdentures.
- Recall that patients with palatal defects can be rehabilitated with obturators and need referral to a specialist centre.

This programme qualifies for 6 hours of verifiable CPD
