

## The Business of Dentistry (Part 2)

### Associate Pay Calculation - Question 1 - Miss Pear

Miss Pear is an associate in Manchester

The practice has a contract with the LAT, and her contract with the practice is for £9.50 per UDA that she completes. This is the amount due to her. She is not expected to pay anything towards NHS lab bills.

The practice receives from the LAT £28 per UDA.

For private work she receives 50% of the gross fees after lab bills

In October 2020, her details are as follows:

NHS fees	626	UDAs performed in the month
Private fees	1,636.00	per the day sheets
Private Lab fees : Horizon Dental	208.00	
NHS Pension Contribution	677.08	

### Answer

Gross Fees	NHS	Private	Total
------------	-----	---------	-------

Gross private fees			
--------------------	--	--	--

### Expenses

Lab bills			
-----------	--	--	--

### Net Fees

Associate %	%		
-------------	---	--	--

	No UDAs	£/UDA	
NHS net fees			
Less: NHS Pension Contribution			-
<b>Net amount due</b>			

<b>Total Net Pay - Cheque receivable</b>
