

Lancashire & South Cumbria Special Care and Paediatric Dentistry MCN Study Day 2024

Special Care Dentistry Engagement Event

During this face-to-face course, participants will have the opportunity to explore the complexities of delivering dental care to individuals with Huntington's Disease.

Additionally, examine the progress made in the Lancashire and South Cumbria Dental Anxiety Management Service, analyse the oral health needs assessment within Special Care Dentistry, and engage in discussions surrounding the most recent protocols for handling trauma in paediatric patients.

Friday 12th April 2024
