

Occlusion

This webinar will cover occlusal terminology, theories and evidence, based on how to assess the occlusion for a routine patient and a patient with an occlusal issue. Techniques for recording and reproducing the occlusion on various articulators and the relevance of occlusion to simple and complex restorative dentistry will also be included.

SPEAKER:

Martin James

Membership of The Joint Dental
Faculties of The Royal College of
Surgeons of England, Membership
in Periodontics, Fellowship in
Restorative Dentistry.
