

Fluoride Varnish Application for Dental Nurses

Speaker:

Dr Fiona Sandom
Ph.D., MSc. DIP DT, Dip
DH, FDTF RCS Ed,
FCGDent

Cost:
£100

Extended Duties for Dental Nurses participating in the Lancashire & South Cumbria Children's Oral Health, Treatment, and Prevention Pathway

The training provides knowledge and practical expertise to safely and effectively apply fluoride varnish under a dentist's prescription. Learn about fluoride's role in preventing dental disease, application techniques, patient education, safety considerations and professional responsibilities. Gain hands-on experience and develop key communication and patient management skills to support better oral health outcomes.

Webinar : Thursday 5th June, 1.30pm - 4.30pm

Hands on: Wednesday 18th June, 10am - 1pm

Both dates must be attended

Venue: North West Dental Training Hub, Altrincham, WA14 1RZ
