

ADVANCED COMMUNICATION SKILLS

A 1-day study day highlighting the power of Medical Improv to boost teamwork, communication, cohesion and other human factors.

20TH JANUARY 2026
9:30AM-4:30PM

NW Dental Training Hub
3rd Floor
Altrincham Health and Wellbeing Centre
33 Market Street
Altrincham
WA14 1RZ

Dental Str generic curriculum course

6 hours CPD

**20
Places
available**

Experience Medical Improv training for yourself and see how it fits into the dental curriculum in clinical practice and in your teaching.

Participants will gain insight into the improv-based skills, attitudes, mindsets and behaviours that can improve teamworking, leadership, followership, and interpersonal communication.

These are the 'non-technical and listening skills that healthcare professionals need in order to work effectively with patients, families and colleagues.
