
F2 Regional Training Day
Human Factors

Thursday 12 December 2019

08:45–16:00

Musgrove Park Academy, Musgrove Park Hospital
Taunton & Somerset NHS Foundation Trust

Faculty:

Richard Bamford	Consultant Surgeon
James Coulston	Consultant Surgeon
Laura Pickup	Human Factors Ltd
Anna Stevenson	Consultant Acute Physician
Nic Wennike	Consultant Acute Physician & F2 Programme Director, Musgrove

Aim

To provide a comprehensive introduction to human factors as relevant to the medical practice of F2 doctors.

Outline of the day

The focus is on group learning where through a safe environment the F2 doctors have the opportunity to look at how human factors are highly relevant to the effectiveness of their work, alongside clinical expertise.

There will be two plenary sessions in the lecture theatre before lunch. There is also 2 group sessions for all trainees in the lecture theatre.

After lunch the F2s will be divided into 2 groups which will rotate through two workshops which run simultaneously. The themes of the two workshops, which are run by 1-2 Faculty members, are:

Team working Interactive session to simulate teamwork in the workplace	Nic Wennike
Stress & Fatigue How these impact on professionalism	James Coulston/ Richard Bamford
