

F2 Regional Teaching – Medical Law & Ethics

Mrs Caroline Pennels, Head of Legal Services, GHNHSFT

Dr Sam Guglani, Consultant Oncologist, GHNHSFTT

Friday 22 February 2019
Sandford Education Centre, Cheltenham

OBJECTIVES:

1. Understand the framework and principles of law and ethics within medicine, and why these are important to good care
2. Understand processes which scrutinise clinical practice and hold doctors to account
3. Be able to critically engage and reason in various clinical scenarios and cases, for example, around:
 - Consent
 - Capacity and best interests
 - Care at the end of life

The day's teaching will be discursive and case-based.
