

Directions to Musgrove Park Academy

From M5 Junction 25

Take M5 link road and follow signs to Taunton and the **A38 (signposted for Wellington and Exeter)**. This is a ring road which takes you round the south west side of Taunton (the hospital is a fair distance from junction 25). **Turn left into Parkfield Road at the traffic lights at the bottom of Compass Hill**. The hospital is well signposted virtually all the way.

From M5 Junction 26

Follow eastbound A38 to Taunton (about 5 miles). Just beyond the Crematorium, take the second exit from the roundabout into Wellington Road (signposted Taunton). Turn right into the Hospital at the second set of traffic lights.

NB - Travellers coming from Bristol outside peak hours: it is frequently quicker to leave the motorway at Junction 26 and come back into Taunton on the A38 eastbound.

From A303 / A358

A303 to Ilminster. Leave the Ilminster bypass on the A358 signposted for Taunton. On the outskirts of the town, the A358 goes under the M5 (Junction 25). Directions then as paragraph 1.

Directions from the Multi-storey Car Park

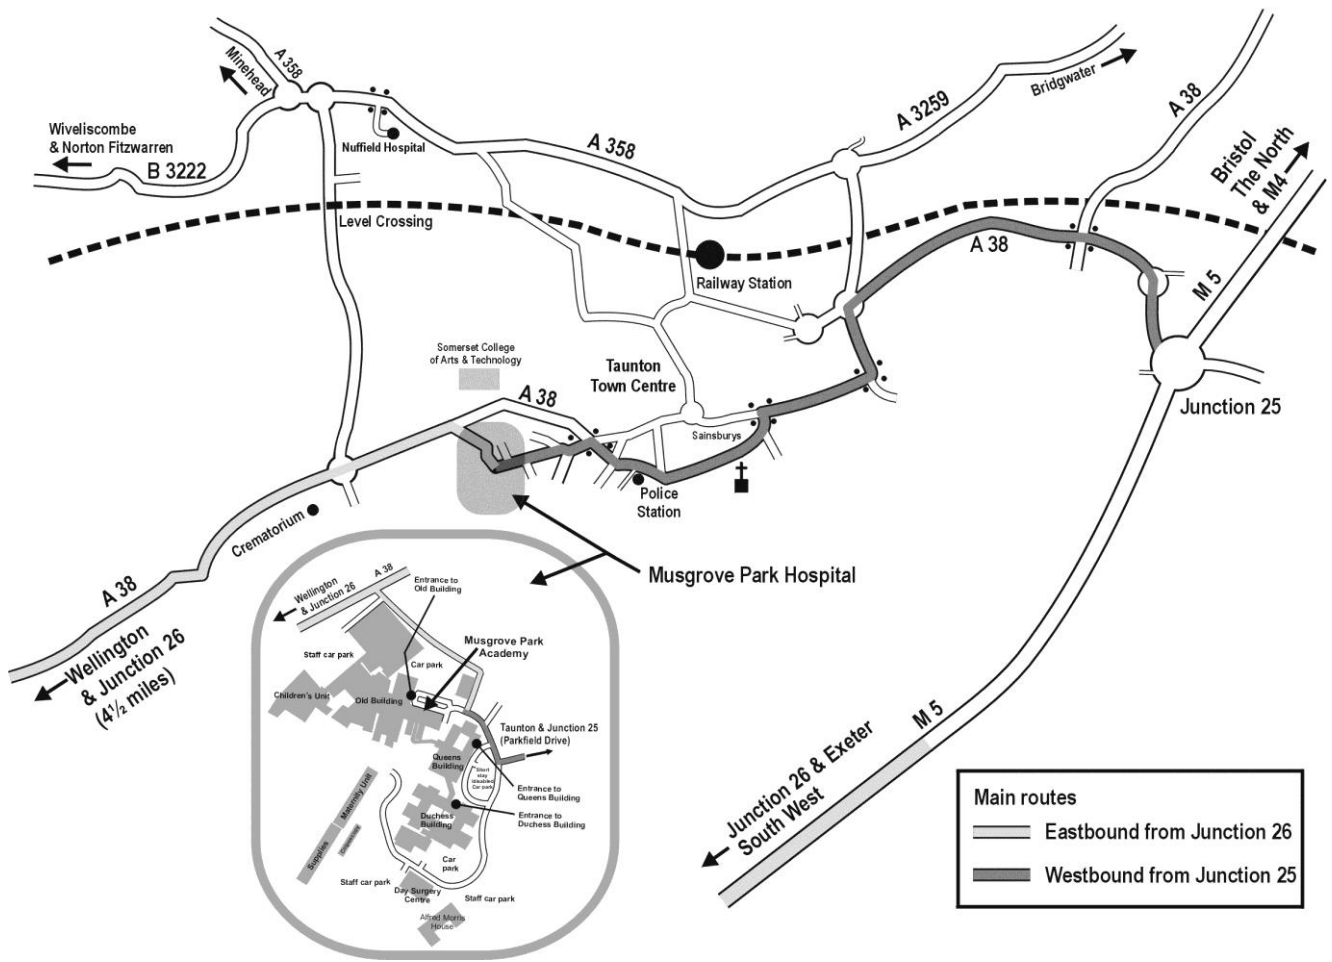

Visitors are advised to park at Cedars, the multi-storey pay on exit car park which is clearly signposted.

To return to the Academy on foot from the multi-storey car park, enter Duchess Building opposite the car park exit, stay on the ground floor following the corridor to the other end of Duchess Building, follow the corridor round to the left through Queen's Building and then turn left and take the stairs up to level 1. On re-entering the corridor through the double doors, turn right and follow the corridor through to the new concourse/ atrium area (the concourse is signed on blue signs throughout the hospital). You will come to some steps and a ramp on your right hand side. The entrance to Academy is at the bottom of the steps/ ramp. If you enter the old building, you have gone too far.

Car Parking

Parking at Musgrove Park Hospital is operated by an outside company (Q-Park), which runs a pay on exit system. Please note Q-Park charge £10.70 for a stay of 4 hours or more. The machines take coins, notes (but not £20 notes) and credit / debit cards.

The Academy is not responsible for the car parking arrangements at the Hospital.
