

Materials to bring to course

All delegates must bring the following items;

- FRONT SURFACE MIRROR
- LOCKING TWEEZERS
- PROBE
- DG 16 PROBE
- 2 EXTRACTED TEETH, WHICH HAVE BEEN SOAKED IN HYPOCHLORITE WITH AN ACCESS CAVITY PREPARED IN THEM
- LOUPES IF USED

It is recommended that you also bring gloves, a bib and safety glasses as you will be working on the extracted teeth.

Thank you

Rob Salvin
