Course Organiser:  
Carrie Bradburn  
Dental Postgraduate Tutor

### **PROGRAMME**

**13.45 Registration and coffee**

**14.00** A brief orthodontic refresher  
Orthodontics as an aid to solving general practice problems

**15.30 Coffee**

**15.45** Orthodontics – what's new?  
Orthodontic referral – what, when, why, where, how?

**17.00 Close**

**Aim:** To provide an integrated update on the aspects of orthodontics which are important to know for general practice

**Objectives – by the end of the course participants will understand:**

The scope of orthodontics and what appliances are available  
The selection and timing of referrals, including the use of the Index of Orthodontic Treatment Need (IOTN) and its role in NHS referral  
What extent of orthodontics is appropriate in general practice  
How orthodontics can help solve many restorative and periodontal challenges
