

“Financial Planning for (Early) Retirement”
Thomas Sydenham Education Centre, Dorset County Hospital,
Dorchester
Wednesday 29th June 2011

Course Tutor – Mark Horsey

Our speaker says that this is a very important time for dentists deciding between the "old" and "new" NHS Pension Schemes. He will also cover other aspects of financial planning for retirement including practice valuations.

Mark is principal of Dental Money Management and gives around 20 postgraduate lectures each year.
