

## **Directions to long-term car parking for the Royal Seven Stars Hotel, Totnes**

### ***Equality and Diversity Course with Tim Kemp***

From Torquay and Newton Abbot, take second exit at roundabout and cross the River Dart. Find your way to the next roundabout. Take the first exit.

To get to this roundabout from the South and the West, go over the bridge crossing the railway line and continue for a few hundred metres. Take the third exit.

At the next roundabout, the hotel is actually on your right, but to find the long term car park you must turn left over the old bridge back across the River Dart then take the first right, then first right again and proceed to the Steamer Quay Car Park (again on your right). Day-long parking costs £6.50.

Retrace your steps back to the Hotel, a 5 minute walk, and find your way to the Ballroom.

Please do enjoy the course!
