15.15	Tea/Coffee
15.30	Hands-on – Shade taking, cementation
16.30	Close

Aim: To provide an understanding of the techniques available to assess, design and create an improved appearance of anterior teeth, both for the natural “real” smile or the “Hollywood” media look.

Objectives: By the end of the course delegates should have an understanding of:

Assessment
Design
Non-invasive techniques
Advanced veneer preparation methods
Temporisation
