

**Digital Photography in Dental Practice**  
**Thomas Sydenham Education Centre, Dorset County Hospital,**  
**Dorchester**  
**Thursday 1<sup>st</sup> March 2012**

Course Tutor - Mike Sharland

*At the end of this course it is anticipated that participants will be able to make informed decisions on the choice of equipment and its use in dentistry. It is hoped that they will gain an understanding of the settings and techniques necessary to produce good quality photographs and that they will also understand back up and its implementation.*

*Mike has worked for many years at Birmingham Dental Hospital as Head of Multimedia Services. He also runs his own company training staff in dental practices on clinical photography.*
