

Additional skills dental nurse training Impression Taking

DCP's attending this course are also required to attend an Observed Structured Clinical Examination (OSCE) day on Saturday 28th January 2012 - only those attending the 1st part of the course will be able to attend the OSCE. The OSCE is included in the course fee. Participants will be required to carry out 10 impressions, in their work place which must be recorded in the log book provided

Criteria of students entering the course

Registered dental nurse with the General Dental Council

In current employment

Have the written support of his/her employer

Professional Indemnity cover

Evidence of appropriate up to date CPD (eg BLS, Medical Emergencies)

Not all participants will have undertaken a Dental Nurse Training course which has equivalence to NVQ 3.

However it is felt that all students will have the ability to engage in the level of work required to successfully complete this course.

Saturday 26th November 2011 Theory & clinical skills session.
