

Dental Sedation & Pain Management

Thursday 10 January 2013

09:00 – 16:30

Postgraduate Medical Centre, Royal United Hospital

Speaker Information

Mark Vardon BDS(Lond), MClintDent(Lond), MRDRCSEng
Specialist in Oral Surgery and Prosthodontics, Royal United Hospital

Graduated in 1992 from the Kings College Hospital Dental School and trained as an Oral Surgeon in several hospitals during which he obtained a surgically based Fellowship in Dental Surgery (FDS) from the Royal College of Surgeons of England in 1996. Following this he held both Staff Grade and Registrar positions in Oral & Maxillofacial Surgery, and gained entry onto the General Dental Council Specialist List in Surgical Dentistry.

In 2000 undertook specialist training in Fixed and Removable Prosthodontics at the Eastman Dental Institute in London during which time he obtained a Masters in Clinical Dentistry. In 2004 he obtained the Specialist Diploma of Membership in Restorative Dentistry (MRD) from the Royal College of Surgeons of England and was awarded the GDC Certificate of Completion of Specialist Training.

Dr Rachel Awan MBBS FRCA
Associate Specialist in Anaesthesia, Royal United Hospital

Graduated from Newcastle University in 1994. Rachel routinely works alongside the Oral Surgery Department at the Royal United Hospital. Married to a local Dental Surgeon, Rachel has some experience with sedation and teaching basic life support and medical emergencies in General Dental Practice.
