

Impression Taking OSCE session 27th April 2013

9.00 Registration and refreshments/log books checked

9.30 Oral manifestations

10.00 -

Delegates will in turn carry out 2 impressions on a patient to the prescription of a GDP.

Successful completion of both the log book with reflective learning outcomes and OSCE task will allow the DCP to take impressions to the prescription of a GDP.

Log books will be sent to the Dental Postgraduate Dean for verification, a certificate of competence will then be issued.
