Mr Paul HR Wilson BSc BDS MSc FDSRCPS FDS(RestDent)  
Consultant & Specialist in Restorative Dentistry  
Bath Specialist Dental Clinic

Mr Jonathan Cowie BDS DipEndo MClintDent(Endo) MEndo RCS(Ed)  
Specialist in Endodontics  
Bath Specialist Dental Clinic

**Aim:** This interactive debate will challenge participants to form a deeper understanding of which care is best : Endodontic treatment or Dental implants?

**Objectives:** At the end of the course, participants will have:

1. An evidence-based knowledge of endodontic and dental implant outcomes
2. Be able to inform their daily clinical decision making through critical appraisal
3. Challenge pre-conceived ideas about ‘gold-standard’ patient care over the long-term.
