Name:	Jonathan Cowie
Qualifications:	BDS, Dip Endo, MClintDent (Endo), M Endo RCS (Ed) – Specialist in Endodontics
Current post:	Specialist Endodontist in Private referral practice and Specialty Dentist in Restorative Dentistry, Bristol Dental Hospital
Short resume of career to date  Jon graduated from the University of Bristol in 2004. After completing vocational training, he worked in Carlisle in General Practice. Jon relocated back to the south-west in 2006 and continued working in General Practice in Bath and in 2009 was awarded a Diploma in Endodontic Practice with merit after two years of further postgraduate training at Barts and The London Hospital.  Soon after this, he embarked upon four years of formal specialist training in the field of Endodontics at Guy's Hospital. As part of his specialist training, he was awarded a Master of Clinical Dentistry degree in Endodontics with distinction at Kings College, London whilst also attaining the Membership in Endodontics from the Royal College of Surgeons of Edinburgh.  Jon is also a part-time Clinical teacher for the MSc in Endodontics at King's College, London and has recently taken up a position as a Specialty Dentist in Restorative Dentistry and The Bristol Dental Hospital. He has published clinical articles and is a reviewer for the International Endodontic Journal.  Jon has been accepting endodontic referrals in Bath and Bristol and the surrounding areas for many years.
