### Bibliography

#### Dr Rob Jagger BDS MScD FDS RCS (Edin)

Rob qualified from Cardiff in 1970, and has extensive general dental practice experience gained both in the United Kingdom and the Middle East. However, the main part of his career has been in teaching and research linked to restorative dentistry, at both Cardiff and Bristol Dental School. He is a Past President of the British Society for the Study of Prosthetic Dentistry and the European Academy of Craniomandibular Disorders. His clinical interest is in the management of difficult prosthetic patients and those with temporomandibular disorders. He has over 90 published articles in cited journals and it's the co-author of three books including Psychiatric Disorders in Dental Patients and Occlusion and Clinical Practice – An Evidence Based Approach.
