Speakers Bibliography:

Nikolai Stankiewicz qualified from the University of Melbourne in 1996. After a short period of working in Australia he moved to England, undertaking MFGDP and DPDS at the University of Bristol. Nikolai has a number of papers published in restorative dentistry. He is the practice principal at Bramcote Dental Practice, in Somerset. He has a very strong interest in infection control and bringing an evidence based approach to how current guidance applies to General Dental Practice. Nikolai is one of the few dental members of the Infection Prevention Society and is undertaking a MSc in Infection Control.
