Aim:

To enable course participants to develop the skills necessary to become Validation Supervisors

Objectives:

- Identify training needs
- Appreciate the importance of reflective learning
- Understand the principles of successful tutorials
- Give useful feedback
- Recognise and manage underperformance

Learning Outcomes:

This course will enable more dentists to consider becoming Validation Supervisors, so will indirectly provide opportunities for dentists with conditional performer numbers to work in the South West.

This course is mapped against GDC learning outcome B:

Effective management of self, and effective management of others or effective work with others in the dental team, in the interests of patients at all times; providing constructive leadership where appropriate.
