

**Essential Surgical Extraction Skills for GDP's**

SW19-03-14-2

**Date and venue:**

Thursday 14<sup>th</sup> March 2019

Watergate Bay Hotel  
Trevarrian Hill  
Watergate (Near Newquay)  
TR8 4AA

**Course Organiser:**

Heidi Mills

**Course Lecturers:**

Suresh Somasundaran MDS(ORALSURGERY),FFDRCS(OSOM),MFDS RCS

**Programme**

09:00 - 09:15	Registration & Refreshments
09:15 – 09:30	Introduction – Aims & Objectives.
09:30 – 10:00	Session 1: Lecture: Intact tooth extractions – Principles/Technique/Instrumentation.
10:15 – 11:15	Session 2: Practical hands on – (Table top set up)
11:15 – 12:30	Session 3: Removal of Retained Roots.
12:30 – 13:30	Lunch provided
13:30 – 14:00	Session 4: Lecture – Surgical extraction/diagnosis/technique – design of flap/flap elevation and suturing.
14:00 – 15:30	Session 5: Hands on practice on models (table top).
15:30 – 16:00	Session 6: Complications, management and discussion.
16:00 – 16:20	Cases based discussion Q&A.

16:20 – 16:30      Questions/Evaluations

16:30              Course Close

**\* Delegates are encouraged to bring a PA X-Ray of a potential surgical extraction (one of their own patient) for a CBD.**

**Course Aim:**

To expand GDP's skill set and increase their confidence in carrying out routine surgical extractions.

**Course Objectives:**

1. Discuss the common challenges encountered during routine and complex dental extractions.
2. To understand the basic principles of exodontia.
3. To implement the principles in daily practice.
4. To be able to identify the instruments needed for the procedure and able to use them effectively.
5. How to set up a small practical kit for daily practice in Primary Care.
6. Recognise common complications and their management.

**Learning Outcome:**

1. Treatment plan surgical extractions appropriately.
2. Have the necessary skills to be able to carry out routine extractions and non-complicated surgical extractions.
3. Organise the necessary kit and a team to be able to carry out the procedure effectively.
4. Recognise common complications and manage them appropriately.
