| | Assessment and Evaluation |
| | Underperformance: How do you recognise it and what should you do? |
| 16.00 | Close |

Aim:

To enable course participants to develop the skills necessary to become Educational Support Supervisors

Objectives:

- Identify training needs
- Appreciate the importance of reflective learning
- Understand the principles of successful tutorials
- Give useful feedback
- Recognise and manage underperformance

Learning Outcomes:

- This course will enable more dentists to consider becoming Educational Support Supervisors, so will indirectly provide opportunities for dentists with conditional performer numbers to work in the South West.
