Dental Postgraduate Department**Aim:**

This course will enable delegates to find out about a facilitators role and equip delegates with the skills necessary to facilitate Health Education England Postgraduate Dental courses.

Objectives:

Following the course, participants will:

- Understand the structure and function of Health Education England South West
- Be aware of the process involved in planning courses to meet the needs of the dental team
- Understand the Quality Assurance mechanisms in place for HEE courses
- Be familiar with the role of course facilitator before, during and after a course

Outcome:

Interested delegates will be invited to leave their contact details

GDC development outcome: A B D

The eGDC activity log suggests reflecting on the following during and after this course:

- What did you learn (or confirm) from the activity that was helpful or relevant to your daily work and patients?
- Did you identify any changes/updates needed in your daily work, and if so, what? How did you make these changes?
- If you didn't identify changes needed, what did the activity confirm for you, that you may already know or be doing?
- What was the benefit to your work and/or your patients in carrying out this activity?
