Instructions for Access Barrier

To Enter:

Please input the authorised 4-digit code on the access number pad (as shown below).

Once you have entered your 4-digit code, press the return arrow (highlighted in yellow, bottom left on the pad).

You should then hear a voice confirming that the barrier is opening.

Intercom:

If you have a problem with the barrier, you can use the intercom which connects to our office.

To access the intercom, press the round button (highlighted in blue above the number pad).

We can open the barrier remotely following a call if required.

To Exit:

The barrier will open automatically on exiting the car park.

Please give way to cars entering the car park.

**PLEASE DO NOT PARK
IN RESERVED PARKING SPACES**
