Please note: As 'online' booking is now in use, is important that delegates sign both of the 'in and out registers' as they are retained in the PG dept to verify attendance. In order to receive your 'Certificate of Attendance' you need to complete your evaluation of the course online (PG dept website www.bristol.ac.uk/dentalpg). You will then be able to print your certificate. Please kindly get in touch with the PG dept directly if you have any difficulties with this or do not have online access.

Have a safe journey home!
