#### **Course Aims**

To give you the knowledge, skills and confidence to meet the requirements of the new CPD regulations for DCPs, while also furthering your own wider personal and career development.

#### **Course Objectives**

CPD for DCPs: “Why, What and How?”

Why?

- Explain GDC requirements for CPD activity for DCPs
- Recognise wider personal and professional benefits of CPD

What?

- Know exactly what CPD is required both for your current job role as well as your future career aspirations

How?

- Identifying your development needs and creating a PDP
- Recording and evidencing CPD activity to meet GDC rules
- Know where to find suitable CPD opportunities
