

Turn off of Topsham Road opposite the Barracks into Earl Richards Road North, at the bottom of the road turn right into Veysey Close, follow the road round and then after the sharp left turn you'll see the Dental Education Facility ahead of you. Press the buzzer at the barrier to gain entry to the car park.

The Facility postcode is EX2 4SG. A satnav system may direct you to turn down Salmonpool Lane, do not follow this as you cannot drive between Salmonpool Lane and Veysey Close. The only vehicular access to the Dental Education Facility is via Earl Richards Road North and Veysey Close.

The telephone number for the Reception desk in the Facility is 01392 346303.
