Tel: 01872 222307

Penrose Water Gardens is only 2.2 miles from Truro City and just over a mile from the A30.

**From Truro:** Drive North out of Truro, up Kenwyn Hill on the B3284 towards Shortlanesend.

After 2.3 miles you reach Shortlanesend Village: look out for the Brown sign (left) for Penrose Water Gardens. Turn left down School Hill through leafy lanes, fork right (signposted again to Penrose and the Lily Tearooms), and Penrose Water Gardens can be found in 100 yards or so on your left.

**From the A30 (West):** Reach the big Chiverton Roundabout on the A30 (Where the A390 turns off right to Truro), continue for a further 2.2 miles on the A30 Eastbound. Fork Right after 2.2 miles into the B3284, signposted for Shortlanesend. Drive through Shortlanesend Village and after the shop look for the brown sign, pointing right to Penrose Water Gardens. Turn right down School Hill through leafy lanes, fork right (signposted again to Penrose and the Lily Tearooms), and Penrose Water Gardens can be found in 100 yards or so on your left.

**From the A30 (East):** At Carland Cross roundabout (Where the A39 turns off to Truro, windmill farm on the right), continue West on the A30 for 3.4 miles. As the wider section of road warns of narrowing to 2 lanes at the top of the hill, turn off to Shortlanesend. Off the slip road turn right towards Shortlanesend. After 2 miles you reach the village, turn left onto the B3284 and then immediately right, following the brown sign for Penrose Water Gardens. Go down School Hill through leafy lanes, fork right (signposted again to Penrose and the Lily Tearooms), and Penrose Water Gardens can be found in 100 yards or so on your left.

There is free parking.
