

Maintaining The Art Of General Practice

Thursday, 11 October 2018 - Swinton Park Hotel

09:15 - 16:30

A one-day seminar using the creative arts to explore our perceptions of home in our lives and those of our colleagues and patients.

Aims

- To build confidence in using the creative arts as a resource for teaching and learning.
- To maintain the art of General Practice through using the creative arts to reflect on our work as GPs and trainers.

Objective

To use creative arts resources to stimulate small group discussion around the theme of 'home'
