

Train the Trainer: Enhanced Support for International Medical Graduates (IMG) and Local Employed Doctors (LED)

Summary of workshop

This workshop aims to equip trainers with the necessary perspectives and tools to support IMGs, LEDs and enhance their experience as they enter the NHS. With these skills, your trainers will be better equipped to support IMGs and ensure that they receive the best possible training and career guidance.

What will be covered?

- Gain a deeper understanding of the unique challenges faced by IMGs and the opportunities available to them
- Feel more confident in providing new doctors with a structured and comprehensive induction, as well as effective supervision
- Discover ways to optimise training opportunities to support career progression for IMGs

Who is it for?

Trainers, Supervisors, SAS, Education leads, Tutor/TPD's, Senior Faculty, Appraisers.

Time: Start: 09:30 (Doors open 9:20)
Finish: 12:30

Location: Virtual

Breaks: Coffee 10:45

"I attended your educational supervisor training and I wanted to thank you for making it such a useful and enjoyable session despite having to do it virtually. I have attended your previous training session three years ago face to face and the part time training session virtually. You are an inspirational teacher and I have never left any of your teaching sessions without learning something useful and using it in daily practice."
