## Supported Return to Training

### Clinical Training and Academia Workshops

#### Shaping Future Support for Academics Returning to Training After Time Out of Program

Are you a doctor currently out of program in research, or having recently returned to training following a period of time out for research or a higher degree?

Are you an Educational Supervisor/ TPD or Academic Supervisor who wants to improve the transition between academia and clinical training for doctors?

If so, you are invited to an awayday at **Kenwood Hall on Friday 1<sup>st</sup> March 2019**

- Lunch and refreshments provided
- Study leave available for trainees

*Use of the leisure facilities at Kenwood Hall before/after the event is available for attendees, free of charge, as long as this option is selected during the registration process*

Limited places available

**Deadline for registration 22<sup>nd</sup> February 2019**

Morning session 09:15 – 12:30	<b>Students/ trainees and supervisors</b>
	Exploring ideas to improve returning to training from academia
12:30 – 13:15	<b>Lunch</b>
Afternoon session 13:15 – 16:30	<b>Students/trainees</b>
	Writing and presentation workshop led by Adrian Wallwork, author of several books on writing and presenting for international audiences

Book your place through Medical Maxcourse. Please Search
