

Other Ways to Teach with Recording

Friday, 11th October 2019 - Thorpe Park Hotel, Leeds

09:00 to 17:00

Dr's Helen Kirby-Blount & Liz Moulton

Workshop exploring how to use videos for broader formative learning beyond the limitations of COTs.

Participants **MUST** each bring with them a 10-15 minute consultation of themselves consulting, appropriately consented, and ideally (though not essential) one where they have experienced a difficulty of some sort.

We will be looking at:

- Principles of video teaching, how to make it safe and effective
- Practicalities of video teaching e.g. not to try and do too much; particular aspects like data gathering, cues, summarising
- Using video to help with special situations e.g. the registrar who runs late, failed CSA, language skills
- Using ALOBA to review videos including the participants' videos
